RECOMMENDED CASH ACQUISITION

of

Network International Holdings Plc (“Network”)

by

BCP VI Neptune Bidco Holdings Limited (“Bidco”)

an entity indirectly owned by Brookfield Business Partners together with private equity funds managed and/or advised by affiliates of Brookfield Asset Management Ltd

to be effected by means of a scheme of arrangement under Part 26 of the Companies Act 2006

Update on satisfaction of regulatory conditions and timetable

On 9 June 2023, the boards of directors of Network and Bidco announced that they had agreed the terms and conditions of a recommended cash acquisition of Network by Bidco, a newly-incorporated company indirectly owned by Brookfield Business Partners together with private equity funds managed and/or advised by affiliates of Brookfield Asset Management Ltd (“**Brookfield**”), pursuant to which Bidco will acquire the entire issued, and to be issued, ordinary share capital of Network not already directly or indirectly owned by it (the “**Acquisition**”). It is intended that the Acquisition will be effected by means of a scheme of arrangement under Part 26 of the Companies Act 2006 (the “**Scheme**”).

Network published its circular relating to the Scheme on 12 July 2023 (the “**Scheme Document**”) and announced on 4 August 2023 that the requisite majorities of Network Shareholders had approved the Scheme at the Court Meeting and General Meeting held on that day. Capitalised terms used but not defined in this announcement have the meanings given to them in the Scheme Document.

Satisfaction of the regulatory conditions

Bidco is pleased to announce that the remaining regulatory conditions set out in paragraphs 3(A) to 3(E) of Section A of Part III of the Scheme Document have now been satisfied.

Next steps and timetable of principal events

The Acquisition remains subject to the satisfaction or (where capable of being waived) waiver of certain Conditions set out in Part III of the Scheme Document, including the Court sanctioning the Scheme at the Court Sanction Hearing and the delivery of a copy of the Court Order to the Registrar of Companies.

The Court Sanction Hearing is scheduled to be held on 13 September 2024.

Subject to the Scheme receiving the sanction of the Court, the delivery of a copy of the Court Order to the Registrar of Companies, and the satisfaction (or, where applicable, waiver) of the other remaining Conditions set out in Part III of the Scheme Document, the Scheme is expected to become effective on 17 September 2024. A further announcement will be made by Network if and when the Court sanctions the Scheme.

In accordance with the provisions of the Scheme, the Election Return Time, being the deadline for receipt of elections for the Alternative Offer, is 1.00 p.m. on 12 September 2024. Euroclear will be instructed to set up an appropriate event in CREST by no later than 28 August 2024, after which eligible Network Shareholders who hold Network Shares in uncertificated form and wish to elect for the Alternative Offer via CREST would be able to do so electronically in accordance with the procedure set out in the Scheme Document. Further information regarding election for the Alternative Offer is available in the Scheme Document.

Further to the above, an updated expected timetable of principal events in relation to the implementation of the Scheme and the Acquisition is set out below.

Notice to US investors

The Acquisition relates to the shares of an English company and is being effected by means of a scheme of arrangement under the laws of England and Wales. A transaction effected by means of a scheme of arrangement is not subject to the proxy solicitation or tender offer rules under the US Securities Exchange Act of 1934, as amended (the “**US Exchange Act**”). Accordingly, the Acquisition is subject to the disclosure and procedural requirements, rules and practices applicable in the UK to schemes of arrangement, which differ from the disclosure requirements, style and format of US proxy solicitation or tender offer rules. However, Bidco reserves the right, subject to the prior consent of the Panel and in accordance with the Co-operation Agreement, to elect to implement the Acquisition by

means of a Takeover Offer for the entire issued and to be issued ordinary share capital of Network, as an alternative to the Scheme.

If, in the future, Bidco were to elect to implement the Acquisition by means of a Takeover Offer, which is to be made into the US, such Takeover Offer shall be made in compliance with all applicable US laws and regulations, including Section 14(e) of the US Exchange Act and Regulation 14E thereunder, and in respect of the issuance of Rollover Shares and Loan Notes, pursuant to exemptions from, or in transactions not subject to, the registration requirements of the United States Securities Act of 1933, as amended (the “**US Securities Act**”). Such a Takeover Offer would be made in the United States by Bidco and no one else.

In accordance with normal UK practice and pursuant to Rule 14e-5(b) of the US Exchange Act, Bidco, its nominees or its brokers (acting as agents) or certain affiliates, may from time to time make certain purchases of, or arrangements to purchase, shares or other securities of Network outside such a Takeover Offer during the period in which such a Takeover Offer would remain open for acceptance and/or until the date on which the Scheme becomes effective, lapses or is withdrawn. If such purchases or arrangements to purchase were to be made, they would be made outside of the US and would comply with applicable law, including the US Exchange Act and the Takeover Code. Such purchases or arrangements to purchase may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases will be disclosed as required in the UK and will be available to all investors (including US investors) via the Regulatory News Service of the London Stock Exchange at <https://www.londonstockexchange.com/news>.

Neither the Acquisition, nor this announcement, nor the information contained in this announcement has been approved or disapproved by the Securities and Exchange Commission (the “**SEC**”), any US state securities commission or any other US regulatory authority. Neither the SEC, nor any state securities commission, nor any other US regulatory authority has passed upon or determined the fairness or merits of the proposal described in, nor upon or determined the accuracy or adequacy of the information contained in, this announcement. Any representation to the contrary is a criminal offence.

The Alternative Offer is not being offered, sold or delivered, directly or indirectly, in whole or in part, in or into any Restricted Jurisdiction and individual acceptances of the Alternative Offer will only be valid if all regulatory approvals required by a Network Shareholder to acquire the Rollover Shares have been obtained.

The Loan Notes and Rollover Shares issued under the Alternative Offer have not been, and will not be, registered under the US Securities Act nor under the securities laws of any state or territory or other jurisdiction of the United States, will not be listed on any stock exchange in the United States and may not be offered or sold in the United States absent registration or an available exemption, or a transaction not subject to, the registration requirements of the US Securities Act. Accordingly, they will not be issued to Network Shareholders unless Bidco considers that they may be so issued pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the US Securities Act provided by Section 3(a)(10) of the US Securities Act or another available exemption.

A Network Shareholder who is an “affiliate” (within the meaning of the US Securities Act) of the Network Group prior to or after the Effective Date who receives Loan Notes or Rollover Shares, will receive “restricted securities” as defined in Rule 144 under the US Securities Act. Under applicable US federal securities laws, persons who are or will be “affiliates” of the Network Group, within the meaning of the US Securities Act may not resell the Loan Notes or Rollover Shares received as a result of the Alternative Offer without registration under the US Securities Act, except pursuant to the applicable resale provisions of Rule 144 under the US Securities Act or another applicable exemption from registration or in a transaction not subject to registration (including a transaction that satisfies the applicable requirements of Regulation S under the US Securities Act). “Affiliates” of a company are generally defined as persons who directly, or indirectly through one or more intermediaries, control, or are controlled by, or are under common control with, that company. Whether a person is an affiliate of a company for purposes of the US Securities Act depends on the circumstances, but affiliates can include certain officers, directors and significant shareholders. Persons who believe they may be affiliates of Network should consult their own legal advisers before any sale of securities received in the Alternative Offer.

The receipt of consideration, including Rollover Shares, by a US holder for the transfer of its Network Shares pursuant to the Scheme shall be a taxable transaction for United States federal income tax purposes. Each Network Shareholder is urged to consult their independent professional adviser immediately regarding the tax consequences of the Acquisition applicable to them, including under applicable United States state and local, as well as overseas and other, tax laws.

The financial information relating to Network included in, or incorporated by reference into, this announcement has been prepared in accordance with generally accepted accounting principles of the UK and thus may not be comparable to the financial statements or information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US.

Network and Bidco are both incorporated under the laws of England and Wales. Some or all of the officers and directors of Network and Bidco, respectively, are residents of countries other than the United States. In addition, some of the assets of Network and Bidco are located outside the United States. As a result, it may be difficult for US holders of Network Shares to enforce their rights and any claim arising out of the US federal laws or to enforce against them a judgment of a US court predicated upon the federal and state securities laws of the United States. US holders of Scheme Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of the US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgment.

The statements contained in this announcement are made as at the date of this announcement, unless some other time is specified in relation to them, and service of this announcement shall not give rise to any implication that there has been no change in the facts set out in this announcement since such date.

Disclosure requirements of the Takeover Code

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 p.m. (London time) on the tenth Business Day following the commencement of the offer period and, if appropriate, by no later than 3.30 p.m. (London time) on the tenth Business Day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror before the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror, save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 p.m. (London time) on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3. Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing

Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. If you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure, you should contact the Panel's Market Surveillance Unit on +44 (0) 207 638 0129.
